The next couple of winter months bring Game Nights, Monthly Dinner “Drives” and many other activities. (This is a great time for bike maintenance and to add a few accessories!)

As “riding season” begins, we host a variety of annual Chapter rides which include many favorites such as our Starved Rock Brunch Ride, the Gasthof Covered Bridges Ride, the Reservation (Rez) Ride, our Sunrise Ride and the recently added Photo Safari Ride. We also offer various Dinner Rides, Aloha Rides and Overnight Rides. Our Chapter participates in the IL HOG Rally. Also look for the FVHOG Rendezvous during the Sturgis South Dakota Bike Rally. We have a Chapter Family Picnic and a Fall Color Ride. We also have our Pizza Ride in November.

**Community Involvement:** While our primary purpose is Riding and Having Fun, we’re also active in the community and with local charities. We have raised money and donated to various causes including research in Ovarian Cancer, local food pantries, shelters, Police and Fire Departments that benefit local individuals in need.

**Safety/Education:** FVHOG is well known in the area for hosting safe and well structured rides. Our Road Captains are experienced in making our rides safe and enjoyable. We offer Aloha Rides to members who are new to group riding where safety information and techniques are taught and reviewed before going on an orientation ride to practice your newly learned skills. Our Safety Officer provides a wealth of knowledge, tips and techniques through classes (Safe Rider Skills, MSF Beginner and Advanced, Accident Scene Management, etc.), info sheets on our website and leadership for the members of our Road Captain community.
